14 - 20 September 1986

OC-PBS

As a result of closely monitoring the end of fiscal year budget execution, PBS reports that OC has currently committed 99.7 percent of its budget.

OC-CS

25X1

[redacted] has been awarded a five year contract for the fabrication, test, and delivery of the Enhanced Terminal (ET) System. The contract includes a first article delivery by 30 December 1986, with an option for the production of up to 200 each ET systems for the period FY-87 through FY-91.

OC-MPS

25X1

[redacted] left MPS on 19 September for his new assignment in OIT.

OC-AMD

1. Preliminary discussions between OC and OP were held on 17 September in preparation for a briefing on the OC experience with the Experimental Pay System to be presented to the staff of the Senate Select Committee on Intelligence. OP indicated that this briefing on OC's banding exercise may be significant in obtaining further Congressional support to band other occupations within the Agency.

2. OC recruiting representatives completed a trip through Georgia and Florida on 12 September. The team interviewed a total of 555 people, tested 429, and ultimately distributed 244 Personal History Statement packages to be filled out and returned for processing.

3. During the reporting period, AMD and OIT recruiters met to discuss matters that could potentially benefit both Offices. During the course of these discussions, an invitation was extended to have OIT personnel periodically accompany OC recruiters on future selected recruiting trips. As a result of this invitation, OC has been advised that an OIT officer has been selected to join the OC recruitment team on a trip currently scheduled for mid-October.

25X1

5. Just a reminder--because of OF policies and regulations, the OC Disbursing Office is prohibited from cashing personal checks. The Disbursing Office is here solely for the purpose of alleviating the burden of individuals having to go to other buildings for an advance or reimbursement of official funds.

OC-CSD

1. A lesson plan on the fundamental elements of a COMSEC program was developed by CSD during the reporting period. The course was constructed in support of a requirement levied by

25X1

2. Senior COMSEC Officers from all Area Headquarters will return to Washington to participate in the COMSEC Officers Conference to be held [] on 25-26 September.

25X1

OC-ED

1. [] ORD, has arranged a meeting with representatives from Johnson Control Corporation to discuss their activities in the area of power leveling systems. This
